

Overview

Our intellectual property practice is one of the oldest in Kenya. We advise on the registration of trademarks, patents, industrial designs, assignments and registered user agreements (licenses) for numerous multinational and local clients. We also represent clients in opposition proceedings and IP-related litigation. We pride ourselves in blending experience with dynamism and as such have employed some of the most enthusiastic, pragmatic and intelligent lawyers to meet the varied needs of our clients.

Representative Experience

- **Confidential client:** Advising a leading Kenyan bank with a presence in East Africa on all the intellectual property aspects of its banking business.
- **Confidential client:** Acting for an industrial company in Kenya specializing in cement and concrete, in all its intellectual property matters in Kenya.
- **Confidential client:** Advising and assisting one of the largest banks in Kenya expanding its business to the rest of the African continent on protecting its trademark.
