

Overview

We are a leading firm in privatization and PPP work in Kenya and have undertaken several privatization deals in Kenya and East Africa. We have been involved in landmark PPP projects including the development of the first 'technopolis' in Kenya. We are currently advising on a multi-million shilling PPP project for student hostels in one of the largest public universities in Kenya.

Representative Experience

- Kenyan legal advisers on a World Bank study on the resilience of PPP infrastructure in Kenya
- **International Finance Corporation and Kenyatta University:** Provided legal advice on regulatory compliance preceding project work. We also gave general advice to the International Finance Corporation on the PPP Agreement, PPP law, managing bids and various approvals and licenses required in relation to Kenyatta University Hostels PPP Project.
- **Confidential client:** Providing legal advice on the feasibility study on the development of a medical facility.
- **Confidential client:** Acted as the legal adviser to a company on the establishment of a special economic zone in Eldoret, Kenya. This project is the first privately owned special economic zone in Kenya.
- **Confidential client:** Advising on the PPP Project for the design, construction, financing, operation and maintenance of the Mombasa-Nairobi Highway (A8)
