

# Real Estate 2020 Trends and Developments – Kenya

May 4, 2020

The real estate sector in Kenya remains resilient, driven by a number of factors, among them infrastructure development and demographic trends such as rapid urbanisation and high returns as compared to traditional asset classes. This *Chambers and Partners* guide provides insight into the Real Estate sector in Kenya, its current trends and developments as well as the Dentons Kenya lawyers with extensive real estate and construction experience.
