

Overview

Kenya is the anchor economy of East Africa attracting global investment from regions including China, Europe, India, Japan and the US. Most global organisations and multi-nationals headquarter their East African operations in Nairobi and view Kenya as an attractive destination for foreign direct investment.

Having a presence that dates back to 1902 means that Dentons Hamilton Harrison & Matthews delivers the unique combination of local knowledge and strength of relationships backed by the heft of being part of the world's largest law firm. Our legacy of being the oldest and one of the most prestigious law firms in Kenya gives us the unique quality of understanding the market to provide bespoke legal solution to our clients. Look to our team of 60+ lawyers for integrated advice on legal services required.

Representative Experience

Our team of lawyers has significant experience in handling complex matters, providing quality insight and guidance needed. We have advised on novel transactions in the areas of Banking and Finance, Capital Markets, Energy, Infrastructure and PPPs, Intellectual Property and Real Estate. Our Dispute Resolution team has acted successfully in a number of landmark cases in a variety of practice areas. This demonstrates the dynamic and specialised service that we offer and the trust we have cultivated from the market over our 100+ year history. We continue to be considered the go-to firm for significant and complex matters by the market and are consistently highly ranked by international legal directories.
